

Ukash

Easy, Safe online Payments for everyone!!

With millions of transactions per month and over **100,000** users of Ukash, epay is pleased to bring this successful global product to the New Zealand market and as an exclusive to your epay terminal. Ukash will attract customers to your store that do not want to pay for their online goods using credit cards or personal details. Consumers simply request a set denomination (from the list below) and go online to www.ukash.com to redeem their voucher code.

Ukash Vouchers can be redeemed at thousands of websites worldwide including:

Skype – Video Calling from your Computer www.skype.com

With Skype's free software - by the way, it works seamlessly with your internet connection - you can chat away with free Skype-to-Skype calls and never worry about cost, time or distance. Share the love and get your friends to download Skype so you can talk, instant message (IM) or make video calls for nothing. You can also make local, long distance and international calls to phones and mobiles at great rates too.

PokerStars – The World's Largest Poker Site www.pokerstars.com

Be part of the latest craze to sweep the world. At PokerStars, you can enjoy all of your favourite poker games with thousands of other players twenty-four hours a day. The greatest benefit to you is that you can always find full tables in any game at just about any limit you want to play. Through PokerStars customers can play Texas Holdem, Omaha and Seven Card Stud plus many more.
